The period, conditions and scope of the warranty for

VENTO® inflatable seats by Poltent Sp. z o.o.

1. The warranty covers: durability of the fabric, colors (resistance to UV radiation), sewing, welds and fastening elements.
2. The warranty does not cover changes caused by natural wear and tear of the product (the fabric from which the inflatable seats are made).
3. The warranty does not cover mechanical damage, damage caused by improper use, failure to comply with the manufacturer's recommendations and random events: fire, hurricane, acts of vandalism.
4. If water accumulates on the product, remove it immediately.
5. Before packing into a transport bag, it is recommended to clean and dry the product.
6. The manufacturer installs a safety valve in each sofa or armchair to protect the product against over-pumping and air pressure changes.
7. The product has been tested and adjusted for use in wind gusts not exceeding 38 km / h (5 on the Beaufort scale). When the wind is stronger, it is recommended to fold the product completely.
Mechanical damage resulting from non-compliance with the above recommendation is not covered by the warranty.
8. The manufacturer is not responsible for the assembly / disassembly of the product if it was performed without following the instructions attached to the product.
9. Any stains on the fabric should be removed immediately after staining with a damp cloth with warm water, without additional detergents or the use of high pressure washers.
10. The product should not be washed in an automatic washing machine, dried in a tumble dryer or ironed.
11. The manufacturer guarantees that the product has been made with the utmost care. If any deficiencies are found, the Purchaser shall contact the Manufacturer in writing. The manufacturer will provide a response within 14 days. The manufacturer undertakes to remove the defect within 21 days from the date of accepting the complaint. The manufacturer extends the warranty service period by a period corresponding to the repair period.

12. The manufacturer provides the following warranty:

- for fabric: 2 years (resistance of polyester fabrics to UV radiation in the blue wool scale* is 4-5),
- for constant pressure modules: 12 months,
- for the print: 2 years (resistance of sublimation printing to UV radiation on a blue wool scale* is 6-7),
- for accessories: 2 years.

13. The manufacturer reserves the right to introduce changes to the above information.

14. In matters not covered by these provisions, the provisions of Polish Law of July 27, 2002 on special conditions of consumer sale and amendment of the Civil Code (Dz. U. of 2002 No. 141, item 1176, of 2004 No. 96, item . 959).

Lightfast rating	Summer	Winter
3	4-8 days	2-4 weeks
4	2-3 weeks	2-3 months
5	3-5 weeks	4 -5 months
6	6-8 weeks	5-6 months
7	3-4 months	7-9 months
8	Over 1,5 year	

* The lightfastness table describes the actual possibility of displaying the media in daylight at the assumed time, depending on the season, without fear of changing the color.
